

2022 TRAMINETTE

WINEMAKER'S TASTING NOTES

This intricate white hybrid has so much depth to it that you could spend days analyzing it. It is elegant-yet-bold and impeccably fruit-forward, with bright, crisp acidity to keep it grounded. Traminette is our chef's favorite wine and we know why—it pairs with nearly everything.

HARVEST

GROWING CONDITIONS:

The 2022 growing season started with a low primary bud count on a number of varieties due to winter damage. Even though the crop was small we ended up with super concentrated grapes as a result of a warm dry summer. We would describe the 2022 vintage as light in yield but high in quality. The red grapes are super concentrated and the whites were able to fully ripen while maintaining their acidity. We believe this vintage will be one of the most well rounded ones in the last decade.

SOIL CONDITIONS:

Simmons Vineyard on Bluff Point, Keuka Lake, Est. 1998. Hornell Silt Loam.

THE WINEMAKING

VINIFICATION:

Grapes were picked in the early morning and transported to our crush pad. The fruit was crushed and pressed, settled, racked and inoculated with our favorite yeast strain. The fermentation was stopped with 23 grams of sugar to balance the natural acidity of Traminette.

VARIETAL COMPOSITION:

100% TRAMINETTE
