

2024 GRÜNER VELTLINER

WINEMAKER'S TASTING NOTES

This wine opens with delicate floral aromas, bright citrus, and juicy stone fruit. Fresh lemon blossom and grapefruit zest lead into a lively palate of zippy citrus, ripe apricot, and a hint of honeyed sweetness. A touch of residual sugar enhances the mid-palate weight, while crisp acidity keeps everything in perfect balance, ending in a clean, refreshing finish that invites another sip.

HARVEST

GROWING CONDITIONS:

This was the best harvest we've seen in quite some time in the Finger Lakes. A rainy start gave way to dry conditions by July, and our vineyard manager, John Kaiser, reported 'no disease out there' all season. Temps stayed below ninety, with a steady breeze keeping clusters dry. Harvest began with Pinot for Rosé on September 11, followed by our best-ever Chardonnay on the 17th. Thanks to Doug Miles from Miles Wine Cellars, picking went smoothly. We finished on October 7, bringing in Cabernet Franc and Cabernet Sauvignon to cap off an incredible season.

SOIL CONDITIONS:

Dr. Konstantin Frank Vineyard - Seneca

THE WINE

This wine is Gluten Free and Vegan

Bottling Date: January 2025
| 193 cases | Released February 2025.
| RS: 0.2% | pH: 3.12 | TA: 6.8 g/L
| ABV: 12.5%

Produced with self generated solar energy

Certified Lake Friendly Farmer

Fox Run Vineyards is certified by New York Wine & Grape Foundation's Sustainable Winegrowing Program

THE WINEMAKING

VINIFICATION:

The winemaking style is very similar to other Fox Run whites. The fermentation is stopped with a little bit of residual sugar (2 grams) to enhance aromatics and add some mid-palate weight. To enhance its aromatics, our Grüner Veltliner was cold-soaked overnight in bins, allowing the juice to gently extract delicate floral and citrus notes from the skins.

VARIETAL COMPOSITION:

100% GRÜNER VELTLINER
